CALL FOR CONTRIBUTIONS

Contributions are invited for the following sections:

- **RESEARCH PAPERS:** address *substantive* research questions, contribute *new* insight and/or provide new findings in the relevant knowledge domain. Must report original research. (8000 words)
- **THEMATIC ESSAY/SURVEY:** provide an *exhaustive* account of relevant knowledge domains. Does not report original research. (4000 words)
- **NOTES FROM THE FIELD:** capture *interesting* observations or insights gained from the field, that may not be included in a research paper. (1500 words)
- **BOOK REVIEW:** offers a critical *evaluation* of the content, quality, significance of a book. (1500 words)
- **REPORT:** synoptic coverage of conferences, workshops, seminars, meetings, symposium and other such, for general dissemination. (1000 words)

Submissions to follow author-date system of Chicago Manual of [Style](#). More details can be accessed from [Guidelines](#) and [Section](#) descriptions. Last date for submissions to be considered for publication in 3(1) (dated January 2020) is **June 15, 2019**.

EES is a bi-annual peer-reviewed open-access Journal started in 2018. It offers authors a forum to address socio-environmental issues from, across and within the natural and social sciences. It promotes methodological pluralism and inter-disciplinary research.
